Record of Performance on
VISUAL EFFICIENCY SCALE

The correct choices are indicated for each item. There are four choices in all the matching items. In these items, the correct response is numbered from 1 to 4 according to the appropriate choice. In items 2, 4, 28, 29, 39, and 45 the child is choosing the different one or a particular one. In these items, there are five possible choices so the correct response could be numbered from 1 to 5.
